The Nike Air Force 1 Low x Off-White "Black" released in December 2018 to close an impressive year of releases by Virgil Abloh in collaboration with Nike. The second black colorway of Abloh's Air Force 1 Low (following an early 2018 MoMA exclusive release), this iteration switches from a leather construction to a synthetic and mesh upper with suede for the overlay panels, vlew and heel tab. Big white Swooshes, bright orange accents and a light blue Zip-tie complete the 2018 Off-White x Nike Air Force 1 Low "Black".

VIRGIL IS HERE About SHOP

"VIRGIL IS HERE"

Virgil Abloh founded Off-White™ in 2013 as a multi-platform creative endeavor, a space for his continuous experimentation. The main medium being fashion yet he combined ideas of streetwear, luxury, art, music, and architecture. Virgil's visionary approach to the medium of fashion remains iconoclastic and profoundly conceptual yet accessible to a broad global audience.
