The Nike Air Force 1 Low x Off-White "Black" released in December 2018 to close an impressive year of releases by Virgil Abloh for the collaboration. The second black colorway of Abloh's Air Force 1 Low following an initial 2018 Mid-top release, this iteration switches from a leather construction to a synthetic and mesh upper with 100% black panels, visor, and heel tab. Big white Swooshes, bright orange accents and a light blue Zip-It complete the 2018 Off-White x Nike Air Force 1 Low "Black".

Off-White will be partnering with AC Milan to support their youth academy in Cuore. The initiative builds upon Virgil Abloh's "I Support" campaign, with players and public alike pledging their support for a spectrum of ideals under the concept of "WEAR YOUR HEART ON YOUR SLEEVE". Part of the proceeds will be donated to the AC Milan Foundation as part of a global program that uses the values and power of sport to give young people the opportunity to develop their talents.

# "VIRGIL IS HERE"

Virgil Abloh founded Off-White™ in 2013 as a multi-platform creative endeavor, a space for his continuous experimentation. The main medium being fashion yet he combined ideas of streetwear, luxury, art, music, and architecture. Virgil's visionary approach to the medium of fashion remains iconoclastic and profoundly conceptual yet accessible to a broad global audience.

The screenshot shows a light blue-themed website layout. At the top, there's a navigation bar with three items: "ABOUT ME", "PORTFOLIO", and "WEBSITES". Below the navigation, the main title "ABOUT ME" is centered in large, bold, white capital letters. To the left of the title is a circular profile picture of a young man with dark hair. To the right is a large, empty white rectangular area labeled "FLIP FOR SKILLS". Below the title, the name "Zurlandi Alvise" is displayed, followed by the date "26/04/2004". Underneath the date, there is a brief bio: "Graduated from Michelangelo Guggenheim's Art High School" and a list of skills: "Graphic Design, Web Design, UI/UX Design, Web Development, Photoshop, Illustrator, InDesign, XD, HTML, CSS, JavaScript, React". At the bottom right of the main content area, there is a small text link "FLIP FOR SKILLS". The footer of the website features the same "HTML", "CSS", and "JS" icons as the main header.
